

Dear DCS Families,

We are excited to welcome your child to Detroit Community Schools for the 2026–2027 school year!

As we prepare for the upcoming year, we are currently developing our student transportation plan and bus routes. Because bus seating is limited, all families who are interested in transportation services must complete the transportation request form using the QR code below.

Please note that submitting the form does not guarantee a bus seat. The information you provide will help us evaluate student needs, plan bus routes, and determine transportation availability based on route capacity and mileage considerations.

We encourage you to review the current bus HUB locations and pick-up times listed below before completing the form.

After your transportation request is submitted, our team will carefully review it and follow up with families who meet the district's transportation requirements.

Thank you for your partnership and for choosing Detroit Community Schools. We look forward to a successful and exciting school year together!

Warm regards, Detroit Community Schools

Seth Petty Sr., M.Ed

Superintendent, Detroit Community Schools

Next Steps:

- Scan the QR code below to register for transportation.
- Locate your child's designated HUB and pick-up time on the bus route list.
- Arrive at the HUB 5–10 minutes before the scheduled pick-up time.
- If your transportation needs change, please notify the school as soon as possible.

Thank you for partnering with us to ensure every student has a safe and successful start to the school year. We look forward to welcoming your family to Detroit Community Schools!
